

Land Acquisition and Conservation Restricted Fund

These funds originated when Nature Guelph hosted the Ontario Field Naturalists (Ontario Nature) annual convention in the 1980s but until now we have not had a formal description of its purpose and use. The Executive recently approved the following. The fund currently stands at \$21,565. Members are reminded that we issue receipts for income tax purposes to this fund.

- The purpose of the Land Acquisition and Conservation Restricted Fund is for the purchase of land in the Guelph-Wellington County area by Nature Guelph or other registered non-profit organizations.
- The Fund may also be used in support of conservation activities in the Guelph-Wellington County area.
- Potential uses of this Fund should be identified in the first instance by the Nature Guelph Conservation Committee and proposed to the Executive and through them to the Club.
- The Conservation Committee is encouraged to be active in the development and in the use of this Fund.
